*L*isa Carmine is a life-long resident of Williamsburg. Following a successful career in mortgage banking, she decided to pursue her dream of working with animals. After two years of training with a local pet sitter, Lisa began her own business in 2003 and has built up a strong base of repeat and referral clients. Lisa and her husband have a family of six dogs, and both agree that pets are like children covered with fur!

Lisa is dedicated to providing the love and nurturing that her clients expect for their pets. "Pets deserve the absolute best care, and that's what I give them, treating each one as I treat my own."

"We appreciate the loving care you give our loved ones, and your reliability."
